Our Prayer

Almighty God,
We come together in your Glory,
To remember a life now passed,
And to celebrate life anew.

Chris may be gone, but through this Foundation,
He lives on!

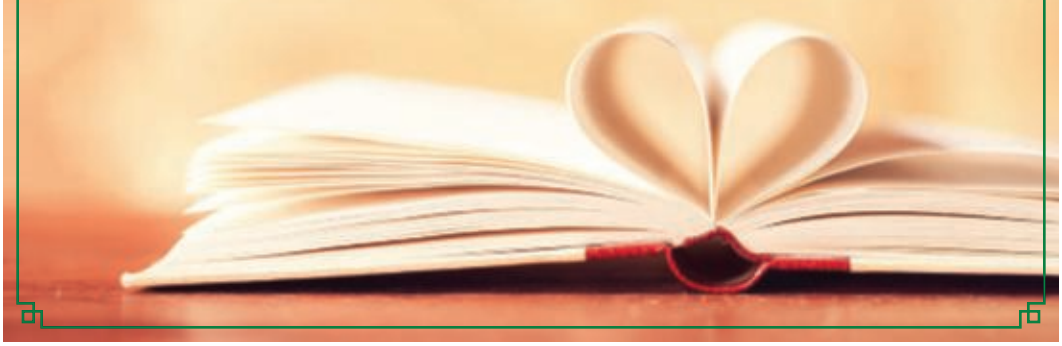
He lives in Haiti, a roof to eat under,
He lives in India, a spicket to drink from,
He lives in Easton, a bedroom to rest in,
He lives in Norwood, a statue to inspire,
He lives in Walpole, a music and art center,
He lives in the Marathon, running with Team Hoyt.

Chris lives on in the charitable works of countless groups
and organizations throughout the world,
Chris lives in this Foundation!

Thank you God for allowing us to gather together,
In honor of His Foundation,
Thank you for another year!

We come together in your Glory.
AMEN

By Matthew J. McLaughlin



Dear Family and Friends,
As we come together on the 11th anniversary of the Christopher Catanese Children's Foundation Fundraiser in memory of our son and brother, Christopher, we remember Chris' spirit and celebrate the good works the Foundation supports in his memory.

During these past 11 years, your contributions have enabled the Foundation to award over one million dollars to more than 130 deserving nonprofit organizations that provide services and support for children and families in need.

CCCF was created to celebrate the life and spirit of Christopher. Our son was a charming young man who lived a beautiful life that was full of endless possibilities. He laughed often with everyone and was loved by all. Chris's life was surrounded by a magnificent family and friends who have always been there for us in our time of need. Although Christopher is no longer with us in presence, he is thought of and missed deeply every minute of every day.

Each year, we are inspired by the support and contributions we receive from family, friends, and business sponsors to create a successful fundraiser. The proceeds from our fundraisers allow the Foundation to provide assistance to organizations making a difference in the lives of children and their families. Our 2018 grant recipients are listed in this program book and a complete list of our annual recipients can be viewed at www.chrisfoundation.org.

The Christopher Catanese Children's Foundation continues to make a positive impact in the future of children's lives. We believe that our outreach is a way for us to celebrate and honor Christopher and his life in a positive and productive way. When we see Christopher again, we want him to be proud of the way all of us chose to revere his time on earth. We can never change yesterday, but we can make a positive difference today in the lives of children and their families in Chris's memory.

We are blessed to have supportive family and friends who help make this fundraiser a success; without you this would not be possible.

Thank you for your participation, generosity, and love.

Sincerely,

Peter II, MaryAnn, and Peter III
