Our Prayer

Almighty God,
We come together in your Glory,
To remember a life now passed,
And to celebrate life anew.

Chris may be gone, but through this Foundation,
He lives on!

He lives in Haiti, a roof to eat under,
He lives in India, a spicket to drink from,
He lives in Easton, a bedroom to rest in,
He lives in Norwood, a statue to inspire,
He lives in Walpole, a music and art center,
He lives in the Marathon, running with Team Hoyt.

Chris lives on in the charitable works of countless groups
and organizations throughout the world,
Chris lives in this Foundation!

Thank you God for allowing us to gather together,
In honor of His Foundation,
Thank you for another year!

We come together in your Glory.
AMEN

By Matthew J. McLaughlin

Dear Family and Friends,

Thank you for joining us for the 14th anniversary of the Christopher Catanese Children's Foundation Fundraiser (CCCF) in memory of our son and brother, Christopher. We always remember Chris' spirit this night as we highlight the good works the Foundation supports in his memory.

Since the formation of CCCF, your contributions and support have enabled the Foundation to award over \$2.5 million to hundreds of deserving nonprofit organizations in our communities and across the world, providing services and support for children and families in need. In these times of increased hardships, we are grateful for your support to help the Foundation to continue its mission.

The Foundation was created to celebrate the life and spirit of Christopher. Our son was a charming young man who lived a beautiful life that was full of endless possibilities. He laughed often with everyone and was loved by all. Chris's life was surrounded by a magnificent family and friends who have always been there for us in our time of need. Although Christopher is no longer with us in presence, he is thought of and missed deeply every minute of every day.

Each year, we are inspired by the support and contributions we receive from family, friends, and business sponsors to create a successful fundraiser. The proceeds from our fundraisers allow the Foundation to help organizations making a difference in the lives of children and their families. Our 2022 grant recipients are listed in this program book and a complete list of our annual recipients can be viewed at www.chrisfoundation.org.

The Christopher Catanese Children's Foundation continues to make a positive impact in the future of children's lives. We believe that our outreach is a way for us to celebrate and honor Christopher and his life in a positive and productive way. When we see Christopher again, we want him to be proud of the way all of us chose to revere his time on earth. We can never change yesterday, but we can make a positive difference today in the lives of children and their families in Chris's memory.

We are grateful to have such supportive family and friends who make this fundraiser a success. Without your support this would not be possible.

Thank you for your participation and generosity.

Sincerely,

Peter II, MaryAnn, and Peter III

League School of Greater Boston has been a leading educator of children and young adults with autism spectrum disorder for 50+ years. League School has done so by maintaining a steadfast commitment to one Mission:

“To help students with Autism develop to their fullest potential in every aspect of their lives; social, emotional, academic, and behavioral.”

To achieve this far-reaching mission, the school takes a comprehensive developmental approach, encompassing every aspect of a student’s life. Their approach is to carefully introduce the students to new challenges. League School believes that if students are given the right set of challenges and supportive strategies to overcome them, they will grow and achieve success.

The school takes an integrated, team approach to education, giving their students the tools and strategies, they need to experience their own thoughts, actions, and emotions in context, which is the foundation for growth.
