

Our Prayer

Almighty God,
We come together in your Glory,
To remember a life now passed,
And to celebrate life anew.

Chris may be gone, but through this Foundation, He lives on!

He lives in Haiti, a roof to eat under,
He lives in India, a spicket to drink from,
He lives in Easton, a bedroom to rest in,
He lives in Norwood, a statue to inspire,
He lives in Walpole, a music and art center,
He lives in the Marathon, running with Team Hoyt.

Chris lives on in the charitable works of countless groups and organizations throughout the world,

Chris lives in this Foundation!

Thank you God for allowing us to gather together,
In honor of His Foundation,
Thank you for another year!

We come together in your Glory.

AMEN

By Matthew J. McLaughlin

Dear Family and Friends,

As we celebrate the 13th anniversary of the Christopher Catanese Children's Foundation Fundraiser in memory of our son and brother, Christopher, we remember Chris' spirit and highlight the good works the Foundation supports in his memory.

Although we were not able to gather in 2020, the Foundation continued awarding funds thanks to your ongoing support. These funds were distributed to organizations supporting children and families to help ease their struggles during an unprecedented year of hardship. We are grateful to be able to gather with you here tonight. During these past 14 years, your contributions have enabled the Foundation to award over 1.5 million dollars to more than 135 deserving nonprofit organizations that provide services and support for children and families in need.

CCCF was created to celebrate the life and spirit of Christopher. Our son was a charming young man who lived a beautiful life that was full of endless possibilities. He laughed often with everyone and was loved by all. Chris's life was surrounded by a magnificent family and friends who have always been there for us in our time of need. Although Christopher is no longer with us in presence, he is thought of and missed deeply every minute of every day.

Each year, we are inspired by the support and contributions we receive from family, friends, and-business sponsors to create a successful fundraiser. The proceeds from our fundraisers allow the Foundation to aid organizations making a difference in the lives of children and their families. Our 2021 grant recipients are listed in this program book and a complete list of our annual recipients can be viewed at www.chrisfoundation.org.

The Christopher Catanese Children's Foundation continues to make a positive impact in the future of children's lives. We believe that our outreach is a way for us to celebrate and honor Christopher and his life in a positive and productive way. When we see Christopher again, we want him to be proud of the way all of us chose to revere his time on earth. We can never change yesterday, but we can make a positive difference today in the lives of children and their families in Chris's memory. We are blessed to have supportive family and friends who help make this fundraiser a success; without you this would not be possible.

Thank you for your participation, generosity, and support.

Sincerely,

Peter II, Mary Ann, and Peter III

Dick Hoyt and his Son Rick

IN LOVING MEMORY OF DICK HOYT WHO PASSED AWAY ON MARCH 17, 2021.

Dick and his son Rick have been proud supporters of The Christopher Catanese Children's Foundation since its inception.

Dick's son Rick was born in 1962 with the umbilical cord wrapped around his neck which resulted in a loss of oxygen. Dick and his wife Judy fought for Rick and others like him to be included in public education which was a huge milestone for educating those with disabilities!

In 1977 Rick told his father that he wanted to participate in a benefit run for a lacrosse player who had been paralyzed. That's when Dick began pushing Rick which made Rick feel like he wasn't disabled. This was the beginning of the father and son team known throughout the world!

Over the next 40 years, Rick and Dick Hoyt competed in more than 1,000 races around the world, including 72 marathons and 257 triathlons. They became celebrities at the Boston Marathon, running the venerable 26.2-mile course 32 times between 1980 and 2014.

Our sincere condolences to Dick's sons Rick, Russell and Robert Hoyt.
