Our Prayer

Almighty God,
We come together in your Glory,
To remember a life now passed,
And to celebrate life anew.

Chris may be gone, but through this Foundation,
He lives on!

He lives in Haiti, a roof to eat under,
He lives in India, a spicket to drink from,
He lives in Easton, a bedroom to rest in,
He lives in Norwood, a statue to inspire,
He lives in Walpole, a music and art center,
He lives in the Marathon, running with Team Hoyt.

Chris lives on in the charitable works of countless groups
and organizations throughout the world,
Chris lives in this Foundation!

Thank you God for allowing us to gather together,
In honor of His Foundation,
Thank you for another year!

We come together in your Glory.
AMEN

By Matthew J. McLaughlin

Dear Family and Friends,

We are truly honored to be hosting our 10th anniversary of the Christopher Catanese Children's Foundation Fundraiser in memory of our son and brother, Christopher. Thanks to your support over the past 10 years, the Foundation has awarded over one million dollars to deserving nonprofits that provide support and services for children and families in need.

CCCF was created to celebrate the life and spirit of Christopher. Our son was a charming young man who lived a beautiful life that was full of endless possibilities. He laughed often with everyone and was loved by all. Chris's life was surrounded by a magnificent family and friends who have always been there for us in our time of need. Although Christopher is no longer with us in presence, he is thought of and missed deeply every minute of every day.

Each year, we are inspired by the support and contributions we receive from family, friends, and business sponsors to make this a successful fundraiser. The proceeds from our fundraisers enable the Foundation to provide assistance to organizations making a difference in the lives of children and their families. Some of the groups that have received funding are listed in this book. A complete list of our annual recipients can be viewed on our website at www.chrisfoundation.org.

The Christopher Catanese Children's Foundation continues to make a positive impact in the future of children's lives. We believe that our outreach is a way for us to celebrate and honor Christopher and his life in a positive and productive way. When we see Christopher again, we want him to be proud of the way all of us chose to revere his time on earth. We can never change yesterday, but we can make a difference today in the lives of children and their families in Chris's memory.

We are blessed to have supportive family and friends who have helped to make this fundraiser a success; without you this event would not be possible.

Thank you for your participation, generosity, and love.

Sincerely,

Peter II, MaryAnn, and Peter III

TEAM HOYT

Yes You Can!

Contact Team Hoyt - 241 Mashapaug Road - Holland, MA 01521 E-mail: teamhoyt73@gmail.com

Rick Hoyt uses a wheelchair. That has not stopped him from living a very full and amazing life. He, along with his dad, Dick, have formed “Team Hoyt” and they have competed around the world doing marathons and triathlons.

The Hoyts have competed in over 1100 athletic events in the last 40 years. They have run in 72 marathons - 32 of them being the Boston Marathon. They have also completed in 257 triathlons, 6 of them being Ironman distance events.

Dick, 77, is a retired Lt. Colonel, having served in the military for 35 years. Rick, 55, is a graduate of Boston University with a degree in Special Education.

Rick was born in 1962 as a spastic quadriplegic with cerebral palsy and as a non-speaking person – but despite these disabilities, Rick’s mind and spirit have always been strong. His family supported his quest

for independence and inclusion in community, sports, education and the workplace, culminating with his graduation from Boston University.

Dick travels the country doing corporate and community presentations, educating the public about disability awareness and promoting the Team Hoyt motto, “Yes You Can”. Through his presentation, Dick shares his lifelong commitment to changing attitudes and educating others on the world of disabilities. He and his family have seen an impact from their efforts in the area of public attitude toward people with disabilities.

The “Yes You Can!” statue, created by sculptor Mike Tabor, was commissioned by John Hancock Financial and donated to the Town of Hopkinton. It was installed in April 2013 on the front lawn of the Center School, near the Boston Marathon starting line.

Dick Hoyt was the Grand Marshall of the 2014 Boston Marathon. He was proud to be riding the route in a vehicle donated by Central Auto Group.

The Hoyt Foundation, Inc. (EI #22-2940515) is a non-profit organization that was formed in 1989. The Hoyt Foundation aspires to build the individual character, self-confidence and self-esteem of America’s disabled young people through inclusion in all facets of daily life; including in family and community activities, especially sports, at home, in schools, and in the workplace. Each year, Team Hoyt’s primary spokespeople, world renowned athletes, Dick and Rick Hoyt, show the world how to do this by speaking before community and professional groups, and by direct participation in many road races, triathlons and other endurance events. The Foundation also provides advice and support to groups and individuals who share this mission.
